Mr. Olds,

The City of South Jordan is submitting the information requested regarding the physical areas that are being irrigated with water from the Utah Lake-Jordan River Water Distribution System. South Jordan City is the managing entity for the Beckstead Canal, which water sources are the Jordan River and Midas Creek in Salt Lake County under Water Right No. 59-3924. For this reason, enclosed is a list containing information about the areas that are currently being irrigated, to the best of South Jordan City's knowledge.

Sincerely,

Jennifer L. Smith, P.E.
